CERTIFICATE

(Issued September 18, 2000)

On February 8, 2000, Adelphia Business Solutions Operations, Inc., (Adelphia), filed an application for issuance of a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), stating its intention to provide resold and facilities-based local exchange services on a statewide basis. Adelphia subsequently stated that it concurs with the exchange service area maps of Qwest Corporation, f/k/a U S WEST Communications, Inc. (Qwest), and Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, successor to GTE Midwest Incorporated (Iowa Telecom), on file with the Utilities Board (Board) as they are today and as they may be changed in the future. The exchanges of these two companies became the service territories covered by the certificate application.

The Board issued an order on April 25, 2000, approving the application and approving the adoption of the maps of Qwest and Iowa Telecom. Adelphia filed

tariffs on May 8, 2000, identified as TF-00-108 and TF-00-109. An order approving the tariffs is being issued simultaneously with this certificate.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (1999), authorizes Adelphia Business Solutions Operations, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
